Tony Harding

Tony,

I see not many people have signed in the front, so I will! I'll always remember the get togethers (3 scared virgins & a smashed cocoa bean!), and the musical, and the fun, and you (for being such a good friend! Remember me (like you could forget!!) as one of America's most patriotic fans (I still think Beckley would be running a bookstore if not for my support!). I wish you all the best always, 'cause friends like you deserve it. "I'm gonna miss you, yes I will. No matter who you are, I love you still." *

boy, what a friendship!
I love all those great
parties we had and I'll
miss them very, very
much next summer
in college! Also
remember Pagoda Gardens,
too! It was all beautiful
and it will always be.
I wish ya the best of

Starry-Starry Night

(Prom '75')

"Starry-Starry Night" was the theme for the 1975 Junior-Senior Prom held at the Middle School. Decorations were supplied by the Art Dept., under the supervision of Mr. Clemons. After-prom was held at the Cleveland Coliseum where couples could bowl, miniature golf, or swimming. The evening was a memorable occasion for all involved.

The **French Club** gives its members the chance to explore, outside the classroom, areas related to France and its people.

At Christmastime, the students decorated the classroom in a French holiday atmosphere and sang French Christmas Carols.

This year, a special emphasis was given to French "cuisine". French Club members made "crêpes". In the Spring, a French dinner was held, which was prepared by the students themselves.

At the end of the year, a special trip was made to an authentic French restaurant, where they experienced the exquisite taste of fine cuisine.

Forensics is a co-curricular activity of interscholastic competition in debate, persuasive speaking, legislature, and interpretation. Students will be competing in invitational tournaments from December 7 to February 15. District and State contests are held in February, March, and April. The national tournament is held in June. Some 40-50 students travel to schools in Northern Ohio every Saturday. There are no club meetings per say. Teams and individuals practice after school every day during the season.

It's Academic Challenge!

Norton High School was very well represented on **Academic Challenge** for the 1974-75 school year as Richard Melton, Janet Becker, Robert Fenstermaker and Mike Jacobs competed against representatives of Collinwood High School of Cleveland and Sandusky Perkins High.

Academic Challenge is a televised competition of area high schools in rapid recall of facts concerning history, art, mathematics and literature. The recall must be almost instantaneous. The progress was televised on WEWS Channel 5 November 23, 1974.

1974-75 ACADEMIC CHALLENGE TEAM: Mr. Dusz, Advisor; J. Becker, R. Melton, Capt.; M. Jacobs, Alt. R. Fenstermaker.

Buckeye Girls' State

From June 15-23 the 28th annual session of **Buckeye Girls' State** was held at Capital University in Columbus. Out of the total 1,260 girls, two represented Norton. Janet Hall and Tanya Batche were sponsored by the American Legion Women's Auxiliary and the Norton Student Council. Girls' State was eight days packed with governmental lectures and campaigns for various offices. Girls' State was a rewarding experience and great privilege to be able to attend.

"Who's off key?

Hummmmm

"Who was that masked man?"

On May 2, 1975, the **Norton High School Vocal Music Department** gave their annual spring concert. The show was presented with an experimental Cabaret Nightclub Act. The Music consisted of light rock and two serious choral selections (previously used in the choir contest on March 14). The highlight of the evening was a song and dance number by the choir and ensemble. Later, members of the audience were brought on stage to dance with the ensemble. Many groups of soloists were featured during the performance. Compliments are given to Mr. Randles and the choir for their fine performance.

The **1975 Norton High School Panther Marching Band** was under the direction of Thomas Knapp and associate directors Thomas Smicklas and Paul Cubick. The Drum Major for the "Marching 200" was talented senior Mark Robertson.

The Marching Band began their season in mid-July and continued until Band Camp, which was held at Wooster College.

During the school year the Marching Band rehearsed daily during class and after school.

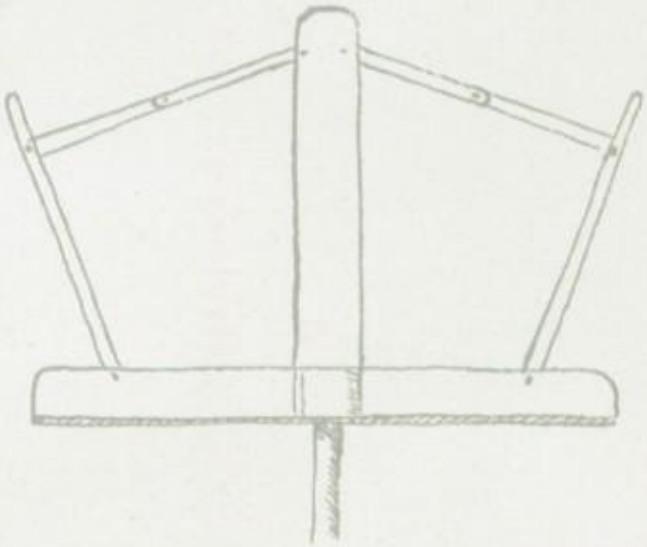
Since 1967 the Marching Band has performed in professional football halftime shows, countless Marching Band Previews, Acme-Zip Games and the St. Catherines, Ontario, Grape and Wine Festival Parade.

Front Row: D. Ingersoll, T. Collins, J. Musser, E. Bachtel, J. Hall. **Row 2:** A. Crafton, T. Norris, D. Muckleroy, E. Eagle, D. Mackin. **Row 3:** C. Griffin, M. Robertson, N. Thompkins. **Row 4:** M. Leibold, T. Jones, T. Fredricks, B. Dennis, T. Robinette.

Concert Season '75

Senior Pastime - Practicing a tuba?

The concert excites everyone!



French Horn Power!

"zzzzzz!"

Following marching season, the **Symphony Band** under the direction of Mr. Knapp and the **Concert Band** under Mr. Smicklas began concert season. The bands presented several formal concerts throughout the year, as well as entering solo and ensemble contests. In February 1975, members of both bands entered a combined total of 58 events in the solo and ensemble contest which was held at Norton. The results? Forty-four "superiors", 11 "excellents," and 3 "good" ratings.

This year the Concert Band received a "superior" rating in district band competitions, while for the second consecutive, year the Symphony Band also received a "superior" rating at the state band competition held this year at Bowling Green. With such fine student talent and professional directing, more splendid results such as these seem assured for the future.

Not only did the **Student Action for Education** receive a new name (from FTA), but it also increased its school and community projects. Acquainting members with the many aspects of the teaching profession through practical experiences and guest speakers is the main goal. First hand experiences are provided through tutoring assignments in Norton Primary, Intermediate, and High School. Community projects included helping the Jaycee wives with Safety Town for prekindergarteners and the Student Council with the Halloween Party. SAE members were also called upon to act as guides for Open House and helpers on In-Service Day.

Hicks, P. Holvey, T. Kulcsar, M. Robertson, C. Shaffer, A. Terrion, J. Wetshtein, K. Zak.

The purpose of the **Latin Club** is to further the knowledge of Latin and the Roman civilizations, and also to bring the Latin students together to have fun. The motto of the club is "Latina Vivit", which means "Latin lives." We feel that this is a fitting motto for the club because Latin is very much a part of the world today. The club's colors are purple, gold, and white, which in ancient Rome signified royalty. The Latin Club built a miniature Roman temple for the Student Council Halloween party. Other activities this year included making a Roman calendar, Christmas caroling in Latin, and a picnic. The Latin Club was new this year and was a great success.

"Seniors mess around! St. George to the rescue."

The 1974-75 **Biology Honorary Club** consisted of all juniors and seniors who were interested in biological sciences. The "swamp stompers" made a trip to the Cuyahoga Falls Gorge. Other activities included guest speakers on nutrition and veterinary medicine, lab sessions, films and tours.

"George helps out as lab. assistant in Biology class."

"Bob and Ralph get ready for a lab."

The purpose of **National Honor Society** is to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote leadership, and to develop character in the students in the Norton High School and other schools like ours across our nation.

The Juniors and Seniors who are selected to this Honorary have shown the proper degree of scholarship, character, leadership, and service throughout their days at Norton High School. Since their contributions have gone beyond the normal contributions of a student to his school, these students are therefore recognized and honored each year by the student body, faculty, administration, and parents of this community.

Student Council

The **Student Council** is composed of 24 members, six from each of the four classes, selected from petitions turned in at the end of the school year. The purpose of the organization is to develop student responsibility, initiative, and leadership. The Student Council works with the administration in attempting to solve school problems, and they assist school clubs with financial support. The Student Council sponsors the annual Halloween Party and Magazine Drive.

Inductions for the Norton **Tri-Hi-Y** were held October 9th for the Junior and Senior girls of Norton High School. The new officers for the oncoming year are **President** — Nancy Abbott, **Vice President** — Carole Littlejohn, **Secretary** — Annette Nice, **Treasurer** — Jane Paolano, **Chaplain** — Kathy Zak, and **Advisor** — Mrs. Linda Dimitroff. The organization of 58 girls does a service project during each monthly meeting. The girls also form smaller committees to complete a project on their own time to further aid and develop our community.

This year **Tri-Hi-Y** will sponsor a Christmas formal on December 21, the profits of which will be given to charity. The formal will be held at the University of Akron Summit Lounge. Again this year, several of the girls will be helping at the Student Council Halloween Party for Norton area children.

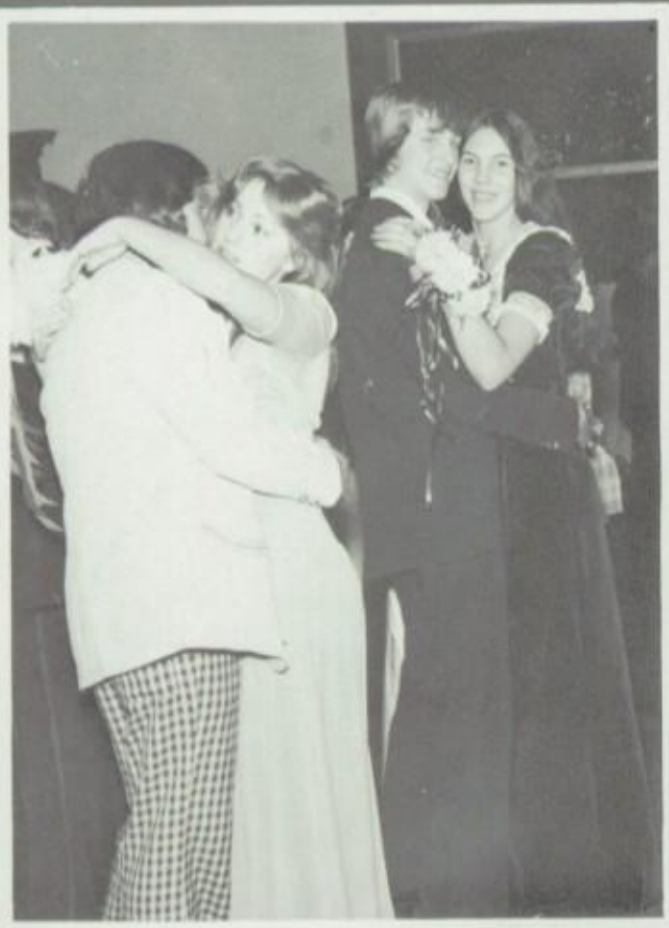
"Did somebody say the Band isn't coming?"

"A pair of star-cross'd lovers"



"So this is what formals are all about . . . "

Nancy Abbott presents Advisor, Mrs. Dimitroff, with a gift of appreciation.

"Now, don't draw blood"

"Oh, you devil, you!"

"Everybody was Kung Fu fightin'."

Try-Hi-Y sponsored another successful Winter Formal held on December 21, 1974, in the Summit Lounge at Akron University. Over three hundred students attended and danced to the sound of "Elegy".

Nortonian '75

The 1974 - 75 **Nortonian Staff** consisted of fifteen members meeting together at least one period daily. The staff worked throughout the year selling advertisements, going to seminars and taking pictures.

Under the direction of a new advisor, Mrs. Dimitroff, the staff hopes they have constructed a book that is pleasing to the eye and informative to the students.

This year's staff wishes to thank Mrs. Dimitroff, advisor and Jenise Bauer, editor for their devotion and superb leadership in helping to make this year enjoyable and worthwhile for each of us.

The 1975 fashion show, put on by the **Home Economics Department,** was held May 8 at 7:30 p.m. in the high school gymnasium. It was a most enjoyable evening for all who were involved.

Torch

Star-struck reporters sail into the room with armsful of half-written, half-typed stories, racing to get them finished. Excitement whizzes through the wheels of their minds — today's deadline.

Tombstoning, guttering and page layouts may be Greek to some, but these words are common to page editors. On Deadline Day they are glued to their desks along with copy, photos, scissors and ruler; that is until —

"Hey, I need 50 more words on the wrestling story."

"Did you see the Sylvart's ad?"

"Think of a headline for this feature, quick!"

Using all forms of communication from sign language to frenzied shouts, they sing out messages and things start happening. Swift-footed reporters scatter like ants through the halls with special missions. Like gears in a smoothly running printing press, staff members move about the room.

Inch by inch, column by column, pages take shape.

These sounds and scenes are of students working toward a common goal: the next edition of the **Torch.**

The 1975 **Tennis Team** kept their spirits up despite a losing season. The team consisted of five returning players and five first year players. Tryouts for tennis had the largest turn-out ever. Some of the defeats came at the hands of some of the stiffest competition in the area such as N. Canton, Medina, and Hoban.

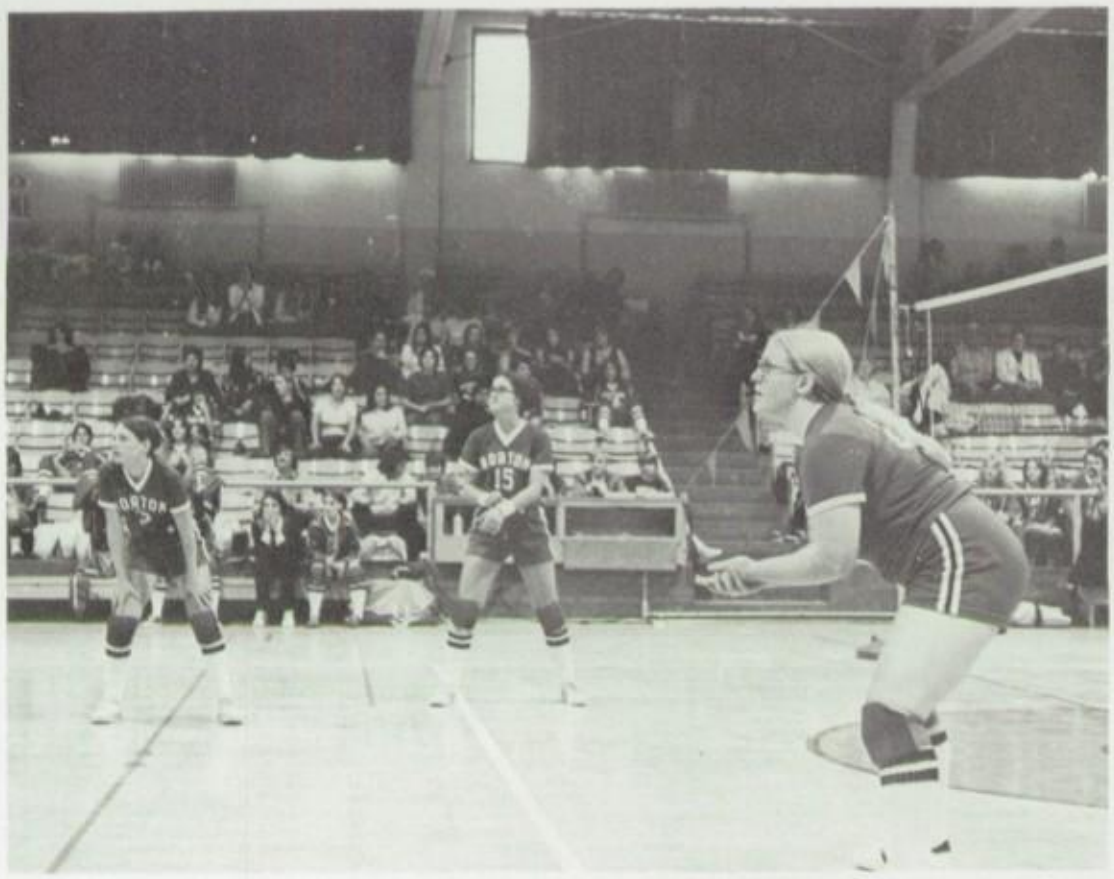
Shows Their Strength



Bump, set, spike, block, back-up. These five words were an important part of the game every Thursday night. The game? Volleyball. The 1974 **Girl's Volleyball Team** added to its record another successful winning season. The team placing second only behind undefeated Revere ended with a 6-1 record. The squad will be losing six seniors this year but a young junior varsity will be advancing with eight freshmen. The seniors are Jenise Bauer, Cathy Cox, Cindy Copen, Linda Davis, Kathy Ligas, and Carolyn Saus. The J.V.'s with a 4-2 record look to next year in hope of state competition.

Football

The 1974 Norton Panthers finished the season with an impressive 8-2 overall record and 6-1 Suburban record for 2nd place. The team showed that Desire, Discipline, and Dedication paid off with romps over Cleveland South, Coventry, Revere and Woodridge. Along with 1968, this was the best record since 1959.

Head Coach Ray Gori did a fine job this year, such as the exciting victory over Wadsworth, which won Norton the bell.

Norton's powerful offense and mean defense this year helped get Norton the respect it deserved.

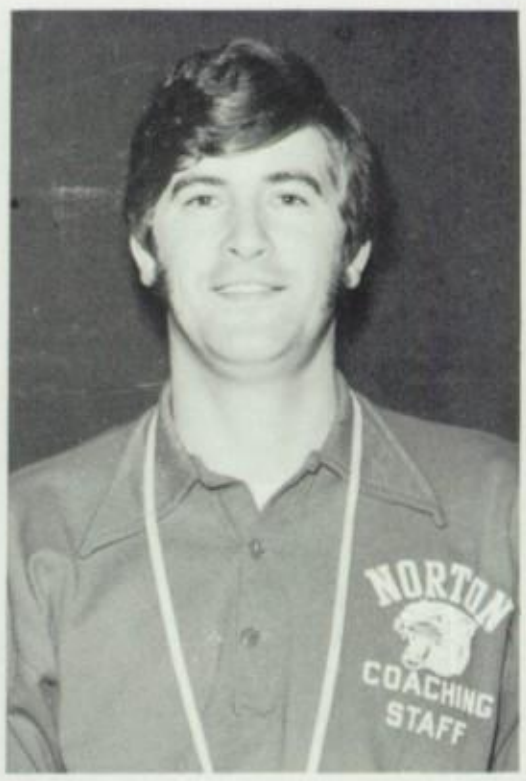
Row 2: T. Bishop, J. Hammell, D. Martin, F. Krochta.
Row 3: T. Lehmer, J White, M. Carris, G. Giles.

Under the coaching of Mr. Galbraith and Mr. Vrabel, the Norton Panther cagers ended the season with an 8 win — 6 loss record in the Suburban League and an 11 win — 9 loss record overall.

Starting slowly, the Panthers got down to business and ended with the best record for the past three years.

Some of the high points of the year were the victories over Hudson and Manchester.

Next year the Panthers will have to work hard to keep Norton's success in basketball going.



Varsity Coach: Dave Galbraith

1974
CROSS COUNTRY

The 1974 Cross Country team ended the season with a 7 win-9 loss record, which is not a bad season considering only one letterman returned from last year.

Top runner, Senior Paul Carris, had the year's lowest time of 11:10.

Senior John Hammell, captain of the team, did a fine job coming on strong in the last half of the year.

Front Row: Stat. P. Leksan, T. Gibson, P. Carris, J. Hammell, Stat. A. Bartlett. **Back Row:** Coach Mr. Anderson, D. Centa, D. Norris, J. Nagy, R. DePaul, B. Brigeman.

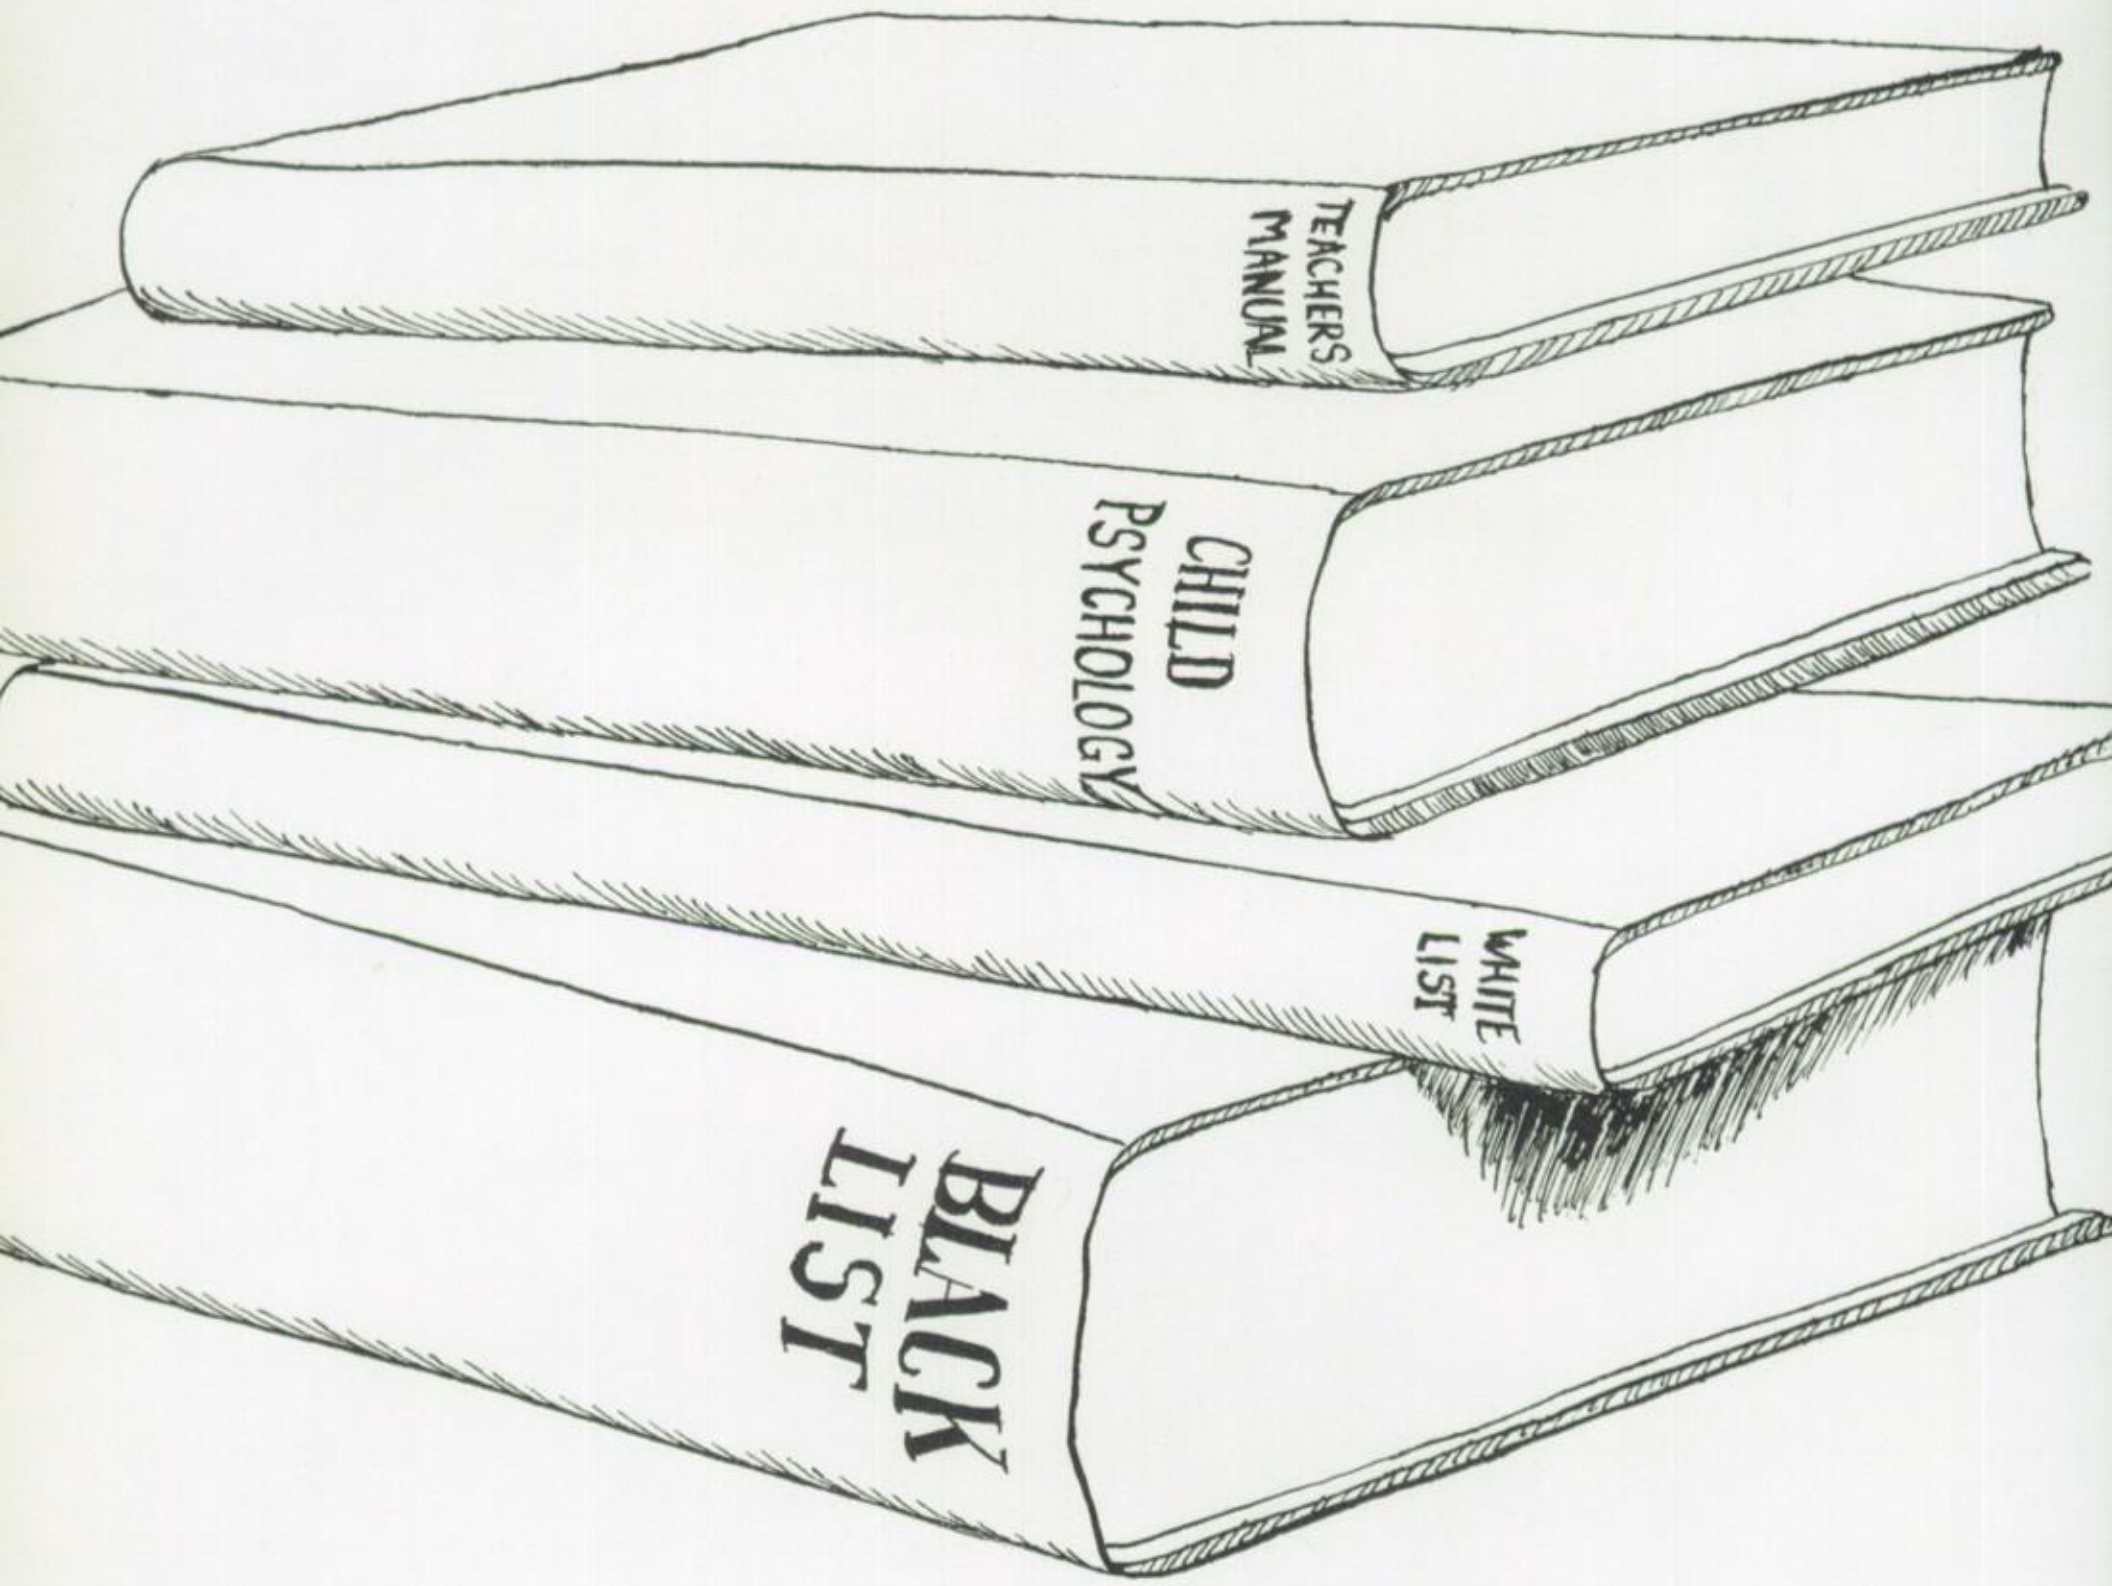
Teachers and Administration



Mr. Flanders Retires

Mr. Robert E. Flanders received his academic training from Kent State University. A capable student, he is best remembered for his basketball ability, which earned him the honor of team captain in 1938, and All-Ohio recognition.

In 1939, Mogadore High School was the scene of Mr. Flander's first teaching experience. He was also the head football, basketball, and baseball coach.

At Mogadore, Mr. Flanders's tenure was interrupted after two years when he was drafted into the Air Force. He earned the rank of Lieutenant Colonel during his three years spent in the Air Force, most of which was outside the United States. Upon his return to this country, he spent four additional years as the High School Principal at Mogadore.

He served as Principal at Canton Lincoln and Perry High School before coming to Norton High School, in 1964, where he has spent the last eleven years as Principal. He refers to these eleven years as the highlight of his career. He fondly extends his thanks to the Norton Board of Education, staff, students, and citizens for the honor of serving as Principal.

Upon retiring, Mr. Flanders plans to pursue his hobbies, which include golf and traveling. He hopes to make use of his Air Force privileges by traveling throughout this country, and hopefully visiting some foreign countries. Other plans call for his donation of time to both the Red Cross and Cerebral Palsy Associations.

The substance in the molecular structure above has been around for millions of years. To almost everyone else it's coal. To Babcock & Wilcox chemists and engineers, there's much more here than meets the eye. Contained within this particular molecular structure of bituminous coal are other fuels for various purposes.

Also, the equation: Coal + $O_2 \rightarrow CO + H_2$, has been around for the better part of this century. It is the process by which coal is converted to a clean-burning synthetic gas. For homes, for industry. But never has this equation come to mean so much.

We have an abundant source of coal in the U.S. We don't have an over-abundant supply of gas and oil. That leaves us dependent on others for our supply. And that's not good.

Yet the coal gasification process outlined here is just the tip of the iceberg. For example, at B&W we are exploring the feasibility of developing commercial systems to convert coal to liquid fuels.

Our job is to harness and utilize these processes to the greatest benefit of mankind. And that's where you come in. If you're a high school graduate who leans toward engineering and chemistry, we encourage you to continue your education in these fields. Times will continue to change, and so will the technology needed to meet challenges like energy self sufficiency.

This noble purpose takes dedicated and educated people. We would like to encourage you to become part of our dedicated team some day. And we hope we have encouraged you to that end by telling you a little about our commitment to an excellent goal.

"We Serve After We Sell"

WHAT WILL YOUR "THING" BE AFTER GRADUATION?

It's a time for testing, for finding out what you do well. We can help. We will test you, free, and train you in a career, free, then give you immediate responsibility so you can grow. We can locate you anywhere in the world. We will pay all medical/dental expenses. We will also pay for food, housing and clothing. See what you can be doing after graduation.

Look up. Be looked up to. Air Force

MEN—WOMEN

Some of the best college students are veterans.

Let's face it. Not everyone wants to step right into college after high school.

Maybe you'd rather wait a few years. To travel, to learn a skill, to find out what you can do, to mature.

For you, today's Army can be a meaningful alternative to college.

We offer challenge. Physical and mental. We offer over 200 job-training courses to try out for. We offer a choice of location. Stateside or abroad.

If you decide to start college while you're in, we'll pay up to 75% of your tuition. And when your enlistment's over, you'll be eligible for 36 months financial assistance at colleges throughout the country.
